

Domestic Lumber Price List

580 Parker Street
 Manchester, CT, 06042
 (860) 649-9663

We recommend that customers call us before visiting! Our inventory and pricing change periodically; we may also stock additional species and products not listed below. Prices listed as of March 18, 2024.

While we try to maintain an up-to-date price list, prices are subject to change without notice. Due to the individual nature of each board, please use this list as a guideline only. Lumber prices can also be influenced by the width of the board as well as any unique features of the board, such as a grain pattern, if it's a slab versus a board and so on.

Our lumber is sold in an "as is" condition. While Parkerville strives to purchase lumber that is of the highest quality, some of our hardwoods or softwoods may contain irregularities common to lumber such as checks, cracks, spalting, among others. The Connecticut State Sales tax is applied to all sales. Commercial customers reselling Parkerville goods or services must provide Parkerville with a valid Connecticut State Sales & Use Tax Resale Certificate.
